

AKMAL & PARTNERS
LAW OFFICE

OUR STRATEGY
IS ALWAYS JUSTICE

ABOUT US

AKMAL & PARTNERS was established to comprehensively respond to the dynamic and ever-evolving legal challenges arising from the escalation of interests that demand legal protection and increasingly complex interactions—whether between individuals, between individuals and legal entities, or among legal entities themselves.

With a solid foundation of legal knowledge, extensive experience, and a comprehensive understanding of legal issues, AKMAL & PARTNERS consistently delivers practical and effective solutions, ensures the protection of clients' legal interests, and, as far as possible, mitigates potential risks in the future. Our legal services are designed not merely as short-term assistance, but as sustainable, long-term legal support.

AKMAL & PARTNERS provides high-quality legal solutions for commercial and corporate legal matters in Indonesia. The Firm has developed strong expertise across various practice areas, including bankruptcy and insolvency, litigation and dispute resolution, maritime law, real estate and property law, foreign investment assistance, banking and finance law, and intellectual property law.

AKMAL & PARTNERS acknowledges the necessity of continuous growth and development in all aspects, solely to meet the needs and satisfaction of our clients, while steadfastly upholding the tradition of delivering legal services with professionalism, reliability, and integrity—the founding spirit of the Firm. We firmly believe that trust is the highest form of recognition and the cornerstone for building productive collaborations and achieving the results our clients expect.

WHY CHOOSE AKMAL & PARTNERS?

AKMAL & PARTNERS provides a team of professional and experienced lawyers who are fully committed to meeting our clients' legal needs. Our clients choose us because they value our advocacy, legal insight, and dedication. Based on our experience, the quality of the professional relationship between our lawyers and our clients is a critical element in achieving effective and successful legal solutions. Below are several key reasons why clients choose AKMAL & PARTNERS:

1 RESPONSIVE

We understand that business moves quickly—and so do we. Our lawyers are service-oriented and focused on providing each client with the personal attention they deserve. We work diligently to ensure that we meet and exceed our clients' timelines and expectations in every matter.

2 PROFESSIONAL

We deliver legal services of a standard that goes beyond ordinary legal practice. This is why we consistently enter into and/or issue Legal Services Agreements as a manifestation of our commitment to providing exceptional, consistent, and accountable legal services to all of our clients.

3 SOLUTION-ORIENTED

Our Firm provides specialized legal services in the field of business and commercial law. We are skilled in identifying and mapping legal risks, proposing alternative solutions, and supporting our clients' sustainable business growth.

4 COMMUNICATIVE

We recognize that legal processes can be complex and confusing. Therefore, we work closely with our clients at every stage, provide clear and comprehensive advice, and continuously keep our clients informed while delivering the best possible legal recommendations.

OUR LAWYER

The lawyers at AKMAL & PARTNERS are distinguished by deep legal knowledge, strong analytical skills, sound moral judgment, and the right attitude in serving our clients. We believe in making things happen—closing transactions, resolving disputes, and achieving effective solutions.

OUR LEGAL SERVICES

AKMAL & PARTNERS delivers comprehensive legal solutions across a wide range of practice areas. Backed by strong technical expertise and practical experience, we are committed to protecting our clients' interests, managing legal risks, and supporting sustainable business growth.

LITIGATION S DISPUTE RESOLUTION

We provide strategic and results-driven representation in civil and criminal litigation, as well as alternative dispute resolution. Our lawyers meticulously prepare each case, from legal analysis and document drafting to courtroom advocacy, with a focus on achieving the most favorable outcome for our clients.

INTELLECTUAL PROPERTY

We advise and represent clients in patents, trademarks, copyrights, industrial designs, trade secrets, and other intellectual property rights. Our services include registration, licensing, portfolio management, and commercialization, both domestically and internationally.

We also handle intellectual property disputes, including trademark cancellation actions, infringement claims, and claims for damages arising from IP violations.

Mergers S Acquisitions

We assist clients in structuring, negotiating, and executing mergers, acquisitions, joint ventures, and corporate restructurings. Our MSA practice combines commercial insight with legal precision to ensure transactions are efficient, compliant, and aligned with our clients' strategic objectives.

MINING S ENERGY

We advise clients throughout the entire lifecycle of mining and energy projects, including licensing, exploration, development, operations, corporate actions, and post-mining obligations. Our team delivers integrated legal support for both contentious and non-contentious matters within this highly regulated sector.

BANKRUPTCY S SUSPENSION OF DEBT PAYMENT (PKPU)

We represent debtors and creditors in bankruptcy and debt restructuring proceedings, providing pragmatic strategies that balance legal compliance with commercial realities. Our goal is to preserve value and protect our clients' rights throughout every stage of the process.

REAL ESTATE S PROPERTY

We advise developers, investors, and corporate clients on all aspects of real estate transactions, including acquisitions, disposals, leasing, financing, development, and permitting. Our team ensures each transaction is legally sound and commercially viable.

ASSET REGISTRATION S PROTECTION

We advise developers, investors, and corporate clients on all aspects of real estate transactions, including acquisitions, disposals, leasing, financing, development, and permitting. Our team ensures each transaction is legally sound and commercially viable.

EMPLOYMENT S LABOR

We advise employers on employment relationships, workforce management, company regulations, employment agreements, termination of employment, and industrial relations disputes. Our approach emphasizes legal compliance while maintaining operational efficiency.

INVESTMENT

We assist domestic and foreign investors in establishing and structuring business entities, including company incorporation, shareholding arrangements, and corporate governance. Our services cover investment licensing, operational permits, regulatory compliance, and ongoing corporate support to ensure businesses operate lawfully and efficiently in Indonesia.

AKMAL & PARTNERS
LAW OFFICE

If you wish to engage AKMAL & PARTNERS to assist and represent your personal or corporate legal interests, you may contact us by telephone or email by first providing a general description of the legal matter you are facing. Our Firm will then conduct an initial review of the information submitted.

Depending on the circumstances, a telephone consultation or a personal meeting with our lawyers or legal consultants may be required prior to entering into a formal engagement. As part of our commitment to delivering the highest standard of service, AKMAL & PARTNERS does not charge any fee for the initial assessment, except for subsequent legal consultations.

As a general policy, AKMAL & PARTNERS will only commence legal representation after the following three (3) requirements have been fulfilled:

1. The fee agreement or engagement letter has been duly signed;
2. The required retainer or case deposit has been received (in cash, bank transfer, or cheque); and
3. All documents necessary to initiate the representation have been provided.

Should further consultation be required in order to determine the estimated legal fees for the services needed, you or your company will be subject to a consultation fee. Upon execution of the engagement agreement, you are required to provide complete and accurate information to our lawyers and legal consultants, enabling us to properly assess the case, identify the relevant facts, apply the applicable laws, and deliver a professional legal opinion regarding the core issues of the matter.

Thank you.
